Ladies' Bonspiel Starts With Record Number of Rinks

The Didsbury Curling Club ladies' bonspiel got under way Monday morning, January 24, with a record number of 17 rinks competing in the three events. Seven local rinks are matching their skill against nine from nearby towns and one entry from Calgary.

The two main events are the Berscht and Rosebud Competitions, with the third event being the consolation.

Outside rinks entered in the bonspiel are skipped by Mrs. Charney and Mrs. Stevens of Crossfield; Mrs. Foster, Mrs. Art McCooy and Mrs. Wishart of Carstairs; Mrs. Shenfield of Bowden; Mrs. Wray and Mrs. Clayton of Aldridge; Mrs. Lundgren of Innisfail; and Mrs. Irving of Calgary.

Local rinks taking part in the ladies' bonspiel are skipped by Mrs. Fred Platz, Miss Joyce Morgan, Mrs. Bill McCooy, Mrs. Walter McCooy, Mrs. C. Alden, Mrs. Harvey Gillie and Mrs. E. MacNeill.

As we go to press Tuesday evening all events are well advanced with the three finals all scheduled to be played on the last draw of the day.

EVANGELICAL S.S. CLASS RAISES \$600 FOR MISSIONS

The monthly meeting of Mr. E. Boettger's Sunday School Class of the Evangelical church met at the E. Tuggle home on Tuesday, January 18. The secretary, Walter Scheidt, read letters from various countries expressing thanks for the gifts of clothing that had been sent from Didsbury. Some of these letters were in German, others came from Japan.

Last year this Sunday school class raised over \$600 for missions. After the business session a social hour was enjoyed.

Dr. Allen Speaks to Walther Leaguers

"Nutrition and the Care of the Teeth," was the subject upon which Dr. Allen of the Rosebud Health Unit spoke at the Walther League meeting on Tuesday, January 18. It was stated that, in general, the teeth of the people today are in poor condition. This is attributed to an improper diet and lack of care of the teeth.

In the discussion, based on the lecture, the thought was expressed that the government should also provide a regular dental in each school district, whose duty would be to examine the teeth of the children and attend to their needs. In this manner the general condition of the teeth of our nation would be improved, and as a result, also the general health of the people.

Following the address by Dr. Allen a short film on teeth was shown. The balance of the evening was devoted to games. Lunch was served to some 50 members and guests.

2,500 Alberta Farm Homes May Get Power in 1949

Plans to provide electricity for 2,500 more Alberta farms this year were announced last week by H.B. Sherman, vice-president and general manager of the Calgary Power Co. Ltd.

The program would call for the construction of about 2,000 miles of farm power lines at an approximate cost of \$1,800,000, providing material and labor is available.

Coupled with this announcement was the statement by N.A. Shandro, of Shandro, Alta., president of the newly-formed Alberta Rural Electrification Association that the plan for rural electrification to provide cheaper power to more Alberta farmers, and unification of methods of rural power distribution is being drawn up by his organization.

Completion of the power company's program will increase to about 6,500 the number of provincial farms supplied with electricity by the Calgary Power Ltd.

The proposed units for 1949 are to be located at Westlock, Morinville, Spence Grove, Leduc, Millet, Edgerton, New Rose, Lacombe,

PRINCESS MARGARET AMONG THE CHILDREN

Wearing a new-style high-crowned hat, Her Royal Highness Princess Margaret sat among the children and listened, smiling, as little Ron-

KNOX UNITED CHURCH EVENING GROUP MEETING

The evening group of Knox United Church W.A. met Monday evening at the home of Rev. and Mrs. J.W. Bainbridge when the following officers were installed for 1949: President, Mrs. E. Hoover; vice-president, Mrs. Ernie Clarke; secretary-treasurer, Mrs. Max Wood; pianist, Mrs. Geo. Parsons; manse committee: Mrs. E. Clarke and Mrs. Thos. Morris; church committee: Mrs. B. Prevost and Mrs. D. Kimmel; church kitchen convener, Mrs. Roy McArthur.

Men's 'Sp'iel Starts Monday, Jan. 31

The annual bonspiel, to be held next Monday, will be at the Didsbury rink for both locals and visitors. Jack Jickoy was again appointed as draw master and the prize committee consists of Irvin Klein, Len Berscht and Bill McCooy.

Rinks will be redrawn for the bonspiel and a membership committee comprising Jack Topley and Ed Watkin was appointed to contact all members who may wish to participate in the bonspiel. Curlers may also leave their names with Fred Evans at the Town Office. The re-draw of the rinks will be made later this week.

Icy Roads Make Driving Dangerous

The snowfall has been comparatively light so far this winter and the warm days the first part of January were responsible for ice conditions on Alberta highways. The Calgary-Edmonton highway between Didsbury and Crossfield is said to be the most treacherous due to the rain about two weeks ago and numerous cars and trucks have ended up in the ditch on this part of the road. Last Monday night a gasoline truck driven by J.E. Panter of Vermilion collided with a ten-ton Alaskan Freightways truck at the foot of the Didsbury hill. The huge truck was driven by Hugh Tatro of Fairbanks, and skidded on the icy hill before striking the tanker. The oil truck's cab was badly crushed and its front and back wheels were knocked off, damage being estimated at \$1,000. The Freightways truck crashed into the bridge at the bottom of the hill causing \$200 damage to the structure. The hill has since been sand-ed.

With roads in such a perilous condition drivers are urged to travel cautiously, especially during this cold spell when windows and windshields are frosted and visibility is obscured.

DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury hospital to Mr. and Mrs. Stan McElchin on Friday, January 21st, a son.

To Mr. and Mrs. Fred Reese on Monday, January 24, a son.

At the peak, the 1948-49 school year, 40,000 Canadian war veterans were registered in special courses and regular classes of our universities.

MRS. J. FOOT HOSTESS TO KNOX CHURCH W.M.S.

Monday evening, January 17th, twelve members and friends of Knox United Church W.M.S. met at the home of Mrs. J. Foot. The new president, Mrs. Ed Ford, was in charge of the meeting and gave the study on the book West of the Rockies. Mrs. R. McArthur, treasurer, reported that the amount of \$113 had been raised in 1948.

At the close of the meeting Mrs. Foot served lunch.

Klein Rink Wins Farmers' Bonspiel

The Irvin Klein rink battled through all opposition in the farmers' bonspiel last Friday to win the main event in the double-knockout curling competition, held at the new rink.

Nineteen rinks were entered and following a full day of curling all draws were not finished and the 'spiel had to be completed on Saturday when the final games were played.

In the semi-finals of the main event Klein defeated Ken Gilbride, and H. Gilbride defeated J. Topley. Klein went on to down the H. Gilbride rink in the final.

After losing their initial games in the other half of the double-knockout event Ross Youngs, Jay Tuggle, Ernie Clarke and Tom Morton defeated all opposition to reach the semi-final. Ross Youngs entered one half of the final by defeating Ernie Clarke, and Jay Tuggle gained the final by defeating Tom Morton. In the final game the Ross Youngs rink emerged victorious by winning from Jay Tuggle.

Although the weather was cold the farmers' bonspiel was a decided success and all participating rinks enjoyed their games with "besome and stane."

WESTCOTT ITEMS

The new Westcotts to a good start. Westcott journeyed to Dog Pound on Tuesday evening, January 25, for the Thursday evening. However, the local boys lost both games. There are two games scheduled for this week one away from home and the other will be here at Westcott on Thursday evening. The visitors being Cremona.

The president of the Red Deer Hockey League is Mr. Pete Luft of Elkton and the secretary is Mr. Otto Folkman of Westcott. Mr. and Mrs. Wilbert Papke and family, Mr. Hubert Papke and Mr. Clarence Fenton of Big Prairie visited with Mr. and Mrs. Herbert Goetjen on Thursday evening last and took in the Dog Pound - Westcott hockey game.

Mr. and Mrs. Clarence Reinhardt and Mr. and Mrs. Bernal Reinhardt and baby daughter were dinner guests at the home of Mr. and Mrs. Pat Patchell of Cremona on Sunday last.

Westcott hockey fans were keenly disappointed on Sunday last when they had braved the cold weather to see Westerdale play the local juveniles. The exciting team failed to show up. We understand the Westerdale team had to suddenly change its plans.

Mr. and Mrs. Allan Korschub and Mr. and Mrs. Herbert Goetjen were among those present at the birthday party held in honor of Mr. Adam Korschub on Friday night last in Didsbury.

When it's cold! Thermometers have been below zero for so long we are not afraid to look at them. We wonder who said this was to be a mild winter. Oh, well, one month of it is gone by.

Open House at Mt. View Bible School

Open house was held at the Mountain View Bible school on Friday Evening, January 14, when over 300 guests attended. Luncheon was served by the girls of the Bible school and later an inspection tour of the rooms and school was completed.

During the evening three programs were presented. One in the basement consisted of selections by the school orchestra. In the music room musical selections and readings were given. In the library Rev. Hoskins showed a series of pictures taken on his deployment work in the United States and other places.

Towns, Villages to Carry on Campaign for Gas Installation

Representatives were present from Bowden, Innisfail, Oids, Didsbury and Carstairs at a meeting in the Didsbury Town Office on Wednesday afternoon, January 19, to review the brief presented by Mr. W. A. Austin on behalf of the towns and villages between Calgary and Red Deer, to the Gas Commission sitting in Edmonton. The proceedings of the day's sittings in regard to the local brief was reviewed by Mr. Austin.

Mayor A. Dunkley of Oids moved a vote of thanks to Mr. W.H. Payne, chairman of the committee, and those who devoted their time to the presentation of the brief on behalf of the towns and villages represented.

It was planned to carry on the campaign to have gas installed in the towns and villages of Penhold, Innisfail, Bowden, Oids, Didsbury, Carstairs, Crossfield and Aldridge, and a motion was passed that a permanent committee be set up, comprising two members from each municipality, one to be a member of the local council. All municipalities mentioned will be notified of the meeting date to form the organization.

Mayor Dunkley of Oids, Mayor Percy of Innisfail and Mayor Lynch-Staunton of Didsbury were appointed a committee to interview Mr. Minner, president of the North-West Utilities, to determine what steps could be taken to have gas installed in the towns and villages between Calgary and Red Deer.

Allen Hunsperger Passes Saturday

Allen Hunsperger, one of the early settlers who homesteaded in our country, January 22nd at the of the Southern Alberta Pioneers and the Old Timers' Association, and as one of the Didsbury district's oldest citizens has made many contributions to the progress of this part of Alberta.

Surviving are a son, Lynn, of Didsbury; two daughters, Grace at home and Edith of Edmonton; one foster son, Milford Cressman of Edmonton, two brothers, Oliver and Alvin, both of Didsbury; one sister, Mrs. M. Ryekman, Chilliwack, B.C. His wife predeceased him in 1941, and a daughter in 1911.

Funeral services were held from the United Missionary Church, Didsbury, on Tuesday, January 25, at 2:00 p.m. with the Rev. E. G. Archer officiating.

Burial services were H.W. Folkman, Fred Hofus, Mose Dipfel, Ezra Dipfel, H.D. Halliday and Loyal Snyder. Honorary pallbearers were M. Weber, Ed Weber, Ivan Weber, Amos Weber, J.A. Adam and Neil Shantz.

Interment followed in the Didsbury cemetery with the Didsbury Funeral Home in charge of arrangements.

Bancroft W.I. to Hold Card Parties

The January meeting of Bancroft W.I. was held at the home of Mrs. Harold Swanson on January 12th, with eleven members and four visitors present. Roll call was answered by a "New Year's Resolution I would like to keep."

Mrs. Fred Hunsperger was unanimously appointed sick convener for 1949.

A profit of \$43.23 was made at the last dance held at Lone Pine hall by the W.I. Ten members each donated \$1.00 to Unitarian Services for artificial limbs. A letter is to be sent to members of parliament asking for help for arthritic patients in Alberta.

The members decided to entertain their husbands at the home of Mrs. Ray Goss on January 28. This is to be a dinner with what to follow.

A bridge and whist tournament is to be held at Bancroft school every second Wednesday, beginning January 19. Prizes are to be given each evening with grand prizes at the close.

Mrs. Bob Fisher read an interesting paper on picking and processing corn.

Entertainment was a New Year's song sung by the group.

DUCK BANDED AT ROCKY MOUNTAIN ARSENAL, DENVER

In reply to a letter and band sent to the U.S. Fish and Wildlife Service regarding the banded duck shot by Keith Cooley of Oids last fall on the Tuggle Lake west of Didsbury, the secretary of the local Fish and Game Association, Geo. McDonald, received the following information:

The male mallard duck was banded at Rocky Mountain Arsenal at Denver, Colorado, on January 22, 1948, by Irving Robert Polley, 4765 Milwaukee, Denver, Colorado.

C.A.T.C. to Hold Conference Here

A meeting of the Central Alberta Taxic Council was held in the Oids United Church at 2:30 p.m. on January 16, and Didsbury representatives were Don Gilbride, Don Robertson and Lefroy Benson.

The meeting opened with the Taxic Opening Ceremony, followed by a short devotional period. A public report was given and there was a discussion on a budget for 1949, which is to be presented at the next meeting. It was decided to take orders for C.A.T.C. crests, and all members were made official members of the Council as advisors. Arrangements are being made for an initiation team to help with the initiation of boys in newly formed groups.

A conference will be held in Didsbury sometime in April. It will begin on a Friday night with a Father and Son banquet and the conference will be held on Saturday and Sunday. A complete list of the delegates from Didsbury and other towns will be made at the C.A.T.C. Church on Sunday, March 20.

Army, Navy Team Ties Didsbury, 5-5

In an exhibition hockey game at the memorial arena Saturday night the Didsbury senior team battled to a 5-5 draw with the Army and Navy Veterans sextet from Calgary. The game was hard-fought and close throughout with very few penalties being handed out.

Didsbury goals were scored by Cecil Papke and Trev Morgan with two markers each, and Chuck Newton with one tally.

Didsbury line-up—Goal, G. Evans; defence, W. Moon, G. Roberts, R. Shantz; forwards, B. Reinhardt, C. Papke, L. Papke, L. Krebs, C. Newton, J. Holub, V. LeGrand, T. Morgan, E. Irving.

Next week will be a busy one for the Didsbury team with three league games scheduled on home ice. Monday evening, January 31, the local team plays Carstairs; Tuesday evening, February 1, they match their skill against Hillhurst; and Saturday evening, February 5, they tangle with the league-leading Oids sextet.

Following is the league standing:

Team	P	T	W	L	P	F	A
Oids	9	0	9	0	18	63	26
Carstairs	8	1	3	4	7	30	37
Hillhurst	8	0	3	5	6	33	37
Didsbury	8	0	3	5	6	20	39
TruChu	8	1	2	5	5	37	48

Good. The hostess, Mrs. Swanson, then served a delicious lunch.

The February meeting is to be held at the home of Mrs. Paul Hauser on February 9.

"LADY FROM SHANGHAI" HAS SENSATIONAL STORY

Rita Hayworth stars with Orson
Welles in Columbia's "The Lady
From Shanghai," coming to the
Didsbury Opera Theatre on Thurs-
day, Friday and Saturday, Janu-
ary 27, 28 and 29. Everett Sloane
and Glenn Anders are cast in the
principal supporting roles. Welles is
also credited with the screen-play
and production.

Miss Hayworth will be seen as
an exciting woman of the world,
who proves irresistible to Welles, a
nautical Irish dreamer. Their
strange romance starts in New
York's Central Park, continues on
a luxurious cruise to San Fran-
cisco, Cuba and Mexico. Orson be-
comes involved in a fantastic
phony murder plot, fights for his
life at a trial and escapes to the
refuge of a deserted amusement
park. There, in the nightmarish
"crazy house" follows a typical
Wellesian climax which insures a
startling surprise.

The role of the slick, slick in
top some strong emotion, while
Welles has written a truly different
part for himself. Sloane is seen as
Miss Hayworth's crippled husband
and Anders as a half-mad lawyer.

YOUTH WEEK JAN. 30 - FEB. 4 AT EVANGELICAL CHURCH

Youth week will be observed in
the Evangelical Church, Didsbury,
beginning with Sunday, January
30 through February 4. The special
speaker for the week will be Rev.
E.A. Leske who is the director of
youth peoples' work for the Evan-
gelical church in the four western
provinces. The evening services,
Monday through Friday, will begin
at 8 o'clock with a different pro-
gram each night. Rev. Leske will
also be speaking at both morning
and evening services on Sunday,
January 30.

Come and enjoy good singing,
music and preaching.

REDEEMER LUTHERAN CHURCH
The Church of the Lutheran Hour
Rev. E.B. Fox, Pastor

"The Material and the Founda-
tions of the Church of God," will be
the theme of the Lutheran service
on Sunday, January 30 at 11 a.m.
Following the service regular Sun-
day School and Bible class will be
conducted. The Bible class will dis-
cuss "Is Baptism necessary for sal-
vation?", and "Is it right to use a
crucifix in a Protestant church?"

Everyone loves the Baby Prince

Everyone will want to try the SENTIMENTAL CELEBRATING

"Prince Charles" CAKE

A great new name for a beautiful new cake. For high days, holidays, Sunday or any day this new Purity Flour triumph is bound to look at, really good to eat ... and lucky, lucky it's home-made in cake. Clip the recipe right now. Better still skip out to the kitchen and start baking.

PRINCE CHARLES CAKE

3 1/2 cups butter, shortening, or other soft mild fat
1 1/2 cups brown sugar
1 1/2 cups white sugar
2 eggs sifted PURITY FLOUR
2 cups milk
2 cups cream
2 cups chopped walnuts
A few half-walnuts moist to decorate.

Cream butter or shortening and add vanilla. Blend well. Gradually add sugar. Beat until mixture is light and fluffy. Beat eggs with rotary beater until frothy, add to mixture in fat, sugar mixture. Beat thoroughly. Sift together PURITY FLOUR, salt and baking powder. Add dry ingredients alternately with milk, making a 2 or 4 addition. Add walnut pieces. Stir gently and quickly until batter blended. Do not overmix. Spread into two 8" layer cake pans, well greased. Bake in moderate oven (350-375°F) 20-30 minutes. Let stand 2-3 hours before removing from pans.

Decorate with cream. Melt 2 lbs. butter over direct heat. Add four cups milk. Remove from heat. Add cream, sugar, 1/2 cup salt, then 1 cup of milk. Cook a time. Blend thoroughly. Cook over boiling water until thick. Mixture slowly over heat, stirring constantly. Cook 3 or 4 minutes. Cover when cool add vanilla.

This and so many other wonderful recipes call for Purity Flour. It's the reliable favourite for cakes, pies, cookies, buns or bread. Wherever you shop you'll find this fine flour ... milled from Canada's finest hard wheat.

Dairymen Ask Appeal On Margarine Ruling

Last week Delegates to the Dairy Farmers of Canada annual convention approved a report asking the federal government to appeal a ruling legalizing manufacture and sale of margarine in Canada.

The report asked that the federal government take the matter to the Privy Council. The Supreme Court of Canada recently ruled that it is legal to make and sell margarine in the Dominion.

The convention also asked that the federal government order margarine manufacturers to give the butter substitute "characteristic" color to distinguish it from butter.

SEEK FLOOR PRICE

Delegates recommended that the federal government prohibit use of any preservative in manufacture of margarine.

Another resolution passed today asked removal of the ceiling price on butter "at the earliest possible moment and a floor price of 62 cents a pound for five-year period."

This floor price would be subject to review from year to year but any price variation from one year to the next should not be greater than five per cent.

The meeting recommended that provincial dairy producers' organizations seek from their provincial governments "adequate" protection from margarine competition until such time as the Privy Council rules on an appeal.

A resolution also was passed suggesting that the federal government consider setting up standards requiring introduction of milk sold in a Canadian bread dough formula "in order to improve the health of the nation."

The delegates urged a minimum milk price to producers in 1949 of \$3.25 a 100 pounds of milk testing 3.5 percent butter fat.

During discussion of the resolution on the ceiling price of butter, one delegate said that without a ceiling price butter might rise to 75 cents or more a pound next winter.

HIGHLY IMPROBABLE

There are no grounds for the rumors circulating through Western Canada that Great Britain has sold for a higher price wheat exported from Canada under the Canadian-United Kingdom wheat agreement. Such stories are deliberately circulated to create mistrust and dissatisfaction over the wheat agreement among prairie farmers.

As a matter of fact, the British government is not so very stupid if they resold Canadian wheat shipped under the agreement. Britain's annual wheat import requirements are in excess of 200,000,000 bushels. Of that total 140,000,000 bushels are supplied by Canada. If any of this Canadian wheat was sold, the British would have to go into world markets and pay a higher price for supplies to make up the deficiency.

Ostrich No Goat--Diet Kills Her

Betty, the ostrich, of Manchester, England, is dead. And no wonder!

A veterinarian said the postmortem showed she had swallowed a bullet, a golf ball, a knife handle, a bottle stopper, a spoon, a can opener, a saw, a screw, 37 nails, 14 bones and about 35 cents in coins.

THE GOOD OLD DAYS THAT NEVER WERE

All that was good in the good old days grows better with the years; the bad fades out and is forgotten. The good old days, as they seem now, never were, but the pleasures of them, the friendships, the simple joys, and the solid satisfactions were and are real and enduring.

The evil days which are upon us are never as bad as our fears make them. Because evil is never wholly conqueror, it seems to grow as our efforts to combat it fail. In our day men are so concerned with the evils they contend with that their pleasures seem few and fleeting, but when distance dims this scene, its shining towers will be the joys and the good deeds which make these the good old days of tomorrow.

The truths which can make all days good days shine through the sorrows and the evils of the good which are never as good or as bad as they seem to be.—The Scene.

KITTEN WEIGHS 40 POUNDS

The biggest kitten the writer has ever seen was the visitor in town last week when she came along for the ride in the truck of her owner, Mr. Ralph Clark of Kneehill Valley. This kitten weighing 40 pounds is no ordinary house cat, but a five months old cougar or mountain lion and she purrs with a steady roar of contentment when her owner strokes her tawny coat. While in town the young cougar was in the cab of the truck, lying on the floor but tied with a stout chain and heavy collar.

While indoors kitty has the run of the house and is quite tame and the Clarke children have lots of fun with her, according to their father.

Apparently no tonic is necessary to keep this big kitten's appetite up to par as she polishes off a quart of milk and about ten pounds of meat trimmings daily.

The young cougar was captured about the end of November by Ralph Clark, Walter Moore, Elling Corner, Oscar Sonnenberg and Johnny Sawyer while on a hunting trip. She was raised while up a tree after her mother and another kitten had been shot. As well as cougars the party got 4 elk, 5 moose and two wolves, but Mr. Clark reports that the game situation in the west country is really becoming serious and that wolves and cougars are taking a heavy toll of game. He feels that if the government would place a real good bounty on wolves, cougars and coyotes that expert hunters would be interested and go out after the predators and reduce their numbers sufficiently to make big game plentiful once more.

Five fresh carcasses that had been killed by wolves or cougars were seen and a lot of carcasses that had been killed for some time. Seventeen wolves were counted in one pack.

Mr. Clark thinks that unless something is done in the way of protection that the same hunting will be finished in a very few years.—Innisfail Province.

CUT FEEDING COSTS

USE.....

Midland's Marvel Prepared Feeds

MANUFACTURED BY MIDLAND & PACIFIC GRAIN CORP. LTD.

Mills at: WETASKIWIN, PONOKA, BENALTO, INNISFAIR, CARSTAIRS, OKOTOKS.

For Economical Feeding of Cattle, Poultry, Hogs

Our feeds are carefully prepared, well mixed and the fibre maximum and protein minimum are guaranteed.

We Use Burn's "ViGoR" Protein and Mineral Supplements

SACKED OR BULK SALES
DELIVERY SERVICE
CUSTOM GRINDING

It is now universally recognized that the feeder cannot afford to feed straight grain without its being fortified with protein and mineral supplements.

Our Sacked Feeds are Handled in Didsbury by

ROSEBUD FLOUR MILL

PHONE 48 — DIDSBURY

Or they will take your order for bulk feeds—either cattle, hogs, or poultry, and we will deliver to the Didsbury district, at a nominal charge, from our Carstairs Mill, in lots of four tons or over.

What about the part that's missing?

You put clothes on them, you feed them, you take care of them when they are sick. What about their mind? Are you CONVINCED they are getting the best education possible? Not until Alberta as a whole, through the Provincial Government, assumes Education as its FIRST duty will Education make the progress that it should. Let's look after the missing part of our children's welfare. Express your opinion to your M.L.A. in the minds of children today is what Alberta will be tomorrow.

Their MINDS are important, too!

This advertisement inserted by Alberta Educational Council with 14 supporting provincial and many local organizations.

Except for the war years the manufacture of pulp and paper (not counting operations in the woods) has been since 1921 Canada's leading industry in point of view of value of products and wages and salaries paid to workers.

World sugar production last year totalled 37,694,000 short tons, an all-time record, and 4 per cent larger than the previous record sugar crop produced in the 1939-40 season.

NOTICE TO MEMBERS OF THE DIDSBURY HEALTH SOCIETY

At the Annual Meeting it was agreed to hold open the month of January 1949 for the registration of members and payment of dues.

The dues are the same as last year. Send or bring them to Mrs. Ruth Eckel, one door west of the telephone office, Didsbury, phone 152.

We solicit new members.

WATERWORKS POSSIBLE IN ALL LOCALITIES

Tuesday, January 11, was a red letter day in the history of Penhold, the occasion being the turning on of water for that hamlet's new water system, and to mark the occasion a public holiday was declared. Special mention of the event was made by the daily press and the Canadian Broadcasting Corporation. When it is considered that Penhold has a population of about 160 inhabitants, the community has made a wonderful stride in civilization and the providing of some of the comforts of life for its present and no doubt many future citizens.

What Penhold has accomplished, every community in Canada that has a water supply can accomplish. All that is needed is a little planning and public co-operation. Financing of construction is not a great burden when carried over a thirty-year period, and the future expansion of a town or village will eventually offset any cost entailed at the outset. This fact has been proved in every community which has installed water systems in the past twenty years.

Most Alberta communities have an abundant surface water supply for waterworks systems. Many have natural drainage for practical sewage systems and disposal plants. Costs of material and labor may be high compared with pre-war years, but everything is up in proportion and it is much easier to provide for modern conveniences now than in times of depression. And when we speak of depression these cycles are bound to occur, but communities with all the modern conveniences will not suffer to the same extent as those that have nothing to offer residents in the way of conveniences.

Alberta is at present in the stage of rapid development. Our coal, oil, grain, and mixed farming products are in greater supply and our natural resources are being developed on a large scale. The province is bound to increase greatly in population in the next few years. And the towns and villages which have all the modern conveniences will be the first to reap the benefit of increased population, business and building.

Letter To The Editor

Editor, Didsbury Pioneer.

Dear Sir:

As a visitor to your town I wish to express my opinion of the condition of your streets and sidewalks. Your main street is a disgrace to behold. The litter allowed to accumulate on the sidewalk from Jenkins' Groceries to Law's Drug Store is simply disgraceful and the snow and ice left thereon also adds to the town's shame. So worth of salt applied twice a week would clear all that off, and not forgetting the use of a broom.

Are you folks so poor here in Didsbury that you can't afford a decent entrance to your post office? The streets from town leading out towards the main highway only boasted (?) of one walk and if it's boasting, well any decent town would hide its head in shame. The boards are so old and rotten that when on a jaunt up town one day last week my friend was one step ahead of me and I stepped on a loose board and would have knocked her down but for quick thinking on my part.

I realize it's winter but these points are just as noticeable in the summer as in the winter. You folks here brag of your arena, your Bible school and prosperous farming community and your proposed water works. Now what about doing something about your sidewalks? And when I come again next year I need not fear for life and limb in walking around to see my many friends here.

Yours in hopes,
(Miss) Helen M. Ferguson
Vernon, B.C.

ELECTRIC MATTRESS

An electric mattress has been produced which while designed specially for those suffering from rheumatism and sciatica, offers general over-all sleeping comfort. Ten temperature settings are incorporated from 73 to 114 degrees F. The top settings being used only in cases of severe shock.

**Penicillin Spoils
Quality Of Cheese**

Farmers whose cattle are being treated with penicillin for mastitis should not send their milk to cheese factories until one day after end of treatment. This warning comes from the Dominion Department of Agriculture's Science Service, which points out that milk containing even small amounts of penicillin is no good for cheese making.

Among the many bacteria killed by penicillin are the lactic acid bacteria which convert milk to cheese. By interfering with normal acid production by mixed or single strain starter organisms, penicillin not only prolongs the time of cheese manufacture but lowers the quality of cheese.

Science Service's Division of Bacteriology and Dairy Research has found that even one part of penicillin in 330,000,000 will have this disastrous effect.

Until cheesemakers neutralize penicillin in cheese milk by adding a minute amount of penicillinase, milk from cows under treatment for mastitis should not be shipped to the factory.

MONA O'HEARN

Toronto actress, whose ability and talent make her much in demand on CBC drama programs in both leading and character roles. She is heard regularly on Thursday as Judy in the Trans-Canada network serial drama John and Judy, and is often heard in title roles in Stage 49.

CHEMICAL WEED CONTROL

A change worthy of attention, resulting from deliberations at the second Western Weed Conference held in Winnipeg this fall, was the reclassification of weed on the basis of their susceptibility and the over concentrations of 2-4-D recommended for the more highly susceptible weeds.

Formerly, weeds were classified as generally susceptible, intermediate in susceptibility, and resistant. Under the present system they are known as highly susceptible, susceptible, partially resistant, and resistant. With reference to perennial weeds, those attending the Conference were of the opinion that continued application of the chemical with a view to satisfactory control would in many cases give better results than attempts to completely eradicate infestations with one application.

Recommendations are now available for all classes of weeds affected by 2-4-D and full information on correct concentrations can be obtained from G. R. Sterling, Supervisor of Soil Conservation and Weed Control, Alberta Department of Agriculture, Edmonton.

Mr. Sterling reminds us however, that cultural practice is still the basis of sound weed control and that good farming methods must not be neglected. The use of 2-4-D must be considered a useful ally and not the entire solution to the weed problem.

**MAY ADOPT SYSTEM
OF DRIVERS' TESTS**

Tightening of regulations relating to applicants for driver's licenses is expected to be recommended by a special legislative committee, according to information received by the Alberta Motor Association.

The committee is headed by Hon. A. J. Hooke, minister of economic affairs and includes H. G. Hammett, M.L.A. for Didsbury and H.B. Macdonald, M.L.A. for Calgary.

The committee was named to investigate the feasibility and prospects for a provincial government automobile insurance scheme. It is understood that at the time it has dealt with the need of tightening the requirements as to granting under study for some time and provincial officials have been obtaining data as to procedure elsewhere.

At their annual meeting held in Calgary in November the provincial directors of the A.M.A. urged the provincial government to require proper tests of first applicants for driver's licenses. These representations have been passed on to the provincial authorities.

It was recalled that Ontario and British Columbia have for some years required examinations of all applicants for motor vehicle driver licenses.

NINTH CENTURY SWORD FOUND

It is often said that every inch of ground in Westminster is steeped in history. This has just been given a fresh and striking corroboration by an interesting find made during excavations beneath the Houses of Parliament. The Ministry of Work announced recently that a ninth century sword of fine workmanship has been discovered about 30 feet below the ground. The place where it was found would formerly have been part of the bed of the River Thames. Experts consider that it will make a notable addition to archeologists' knowledge of the Saxon period in Britain. Despite the fact it must have lain beneath the river for close on ten centuries, the weapon is complete except for a small part of the grip and pommel. The length of the sword is two feet nine-and-a-half inches.

—: DISTRICT NEWS:—

NOTES FROM EAST

The program committee and directors of the Lone Pine W.L. met at the home of Mr. Fred Metz, with Mrs. Dowell acting as hostess. The year's program was drafted and a delightful evening was spent, followed by a lovely lunch served by Mrs. Dowell and Evelyn, which was enjoyed by all.

Mr. and Mrs. Otto Faas were visiting east of Didsbury last Wednesday and had dinner with the Schultzes.

The Torpe sale was pretty well attended although the weather was very cold. The Lone Pine W.L. took over the serving of lunch and made a few dollars on the lunch sale.

Quite a few friends and neighbors gathered at the Thompson home on Sunday to play cards. An enjoyable evening was spent by all, and a lovely lunch was served by the hostess.

Best wishes go out to Mr. Dennis Jenkins. Sorry to hear about you breaking your ankle, Dennis.

The Jutland school will hold a skating party and winter roast at the Neapolis skating rink on Thursday, January 27. Everybody welcome.

Mr. Alfie Thompson spent the week end in Calgary undergoing medical attention.

We see by The Pioneer that Mrs. Mardon has returned home. Welcome back.

CREMONA NOTES

The Women's Institute held its monthly meeting at the home of Mrs. M. Hewitt on Thursday, January 20. Eleven regular members were present and one new member, Mrs. K. Bergeson. Quilt blocks which were distributed to the members in November, were handed in. Plans were made for a literary to be held March 17. Miss Jean Shultz gave an interesting address on home economics. The next meeting will be held at the home of Mrs. G. Brown on February 17th.

A large crowd attended the dance which was sponsored by the Legion on Friday, January 21. The music was supplied by the Anderson orchestra of Calgary. Traffic tickets had been sold on a horse and Mr. A. Bettinger was the lucky winner. Mrs. O'Neill of Big Prairie is now at home after spending a few days in a Calgary hospital.

It's good to see Mrs. T. Thompson up and around again after spending two weeks in bed.

Mr. and Mrs. N. Rigby and Mr. and Mrs. T. Camps and family were dinner guests on Sunday at the home of Mr. and Mrs. G. Camps.

MOUNTAIN VIEW

The January meeting of the M.V. Women's Institute was held at the home of Mrs. O. Bittner with five members present. The final amount donated to the Cancer fund through this Institute was \$160. As only a few members were present the meeting was short, and the next meeting is to be held at the home of Mrs. R. Hamper in February.

Mr. and Mrs. G. McCaig were Wednesday evening supper guests with Mr. and Mrs. Raymond Hayne. Little Virginia Bruce, who is just getting over the chicken pox, is visiting with her grand parents, Mr. and Mrs. T.E. Noble of Olds.

Mr. and Mrs. Bob McCulloch were week end visitors in Edmonton with Bob's brother, Lewis, and other friends.

Mr. and Mrs. Ed McNeil and Mr. and Mrs. Bob McCulloch were Wednesday evening visitors with Mr. and Mrs. C. Murphy.

Mr. and Mrs. A. Thompson were Sunday evening guests of Mr. and Mrs. W. Shultz and family.

Mr. and Mrs. John Bruce were Sunday dinner guests of Mr. and Mrs. L. Hunter and Mr. and Mrs. J. Worrall.

Mr. and Mrs. Ed McNeil visited Sunday afternoon with Mr. and Mrs. Art Gehers.

The annual meeting of the Neapolis Skating and Curling Club was held on January 20. Discussion of the proposed erection of a curling rink was limited due to the small attendance of members and cold weather. Lawrence Hunter was re-elected president. Raymond Hayne vice president, and Stewart Tighe secretary-treasurer. New board members elected were Lloyd Hayne, Bruce Shells and Grenville McCaig. Mr. and Mrs. Don McKenzie (nee Florence Cullen) arrived at the latter's home Sunday after a short honeymoon. They left Monday for their new home in Comatation.

Mr. and Mrs. L. Hunter and Mr. and Mrs. J. Worrall spent Sunday evening at the Ernie Cullen home.

FALLEN TIMBER

Congratulations to Mr. and Mrs. Dean Stair on the birth of a daughter, Diana Marie.

Richard Wannamaker, his fiancée, Mary Wannamaker and a friend were recent visitors in the district.

Mrs. Wayne Roberts and baby daughter, Carlene Rose, are now at home.

Mrs. Francis Webb was a visitor in Calgary for a week.

The regular church service was held on January 18 with Rev. C. Moore and Rev. R. Moore in charge. The next service will be held on Sunday, January 30.

Mr. and Mrs. J.A. Howton were visitors at the home of Mr. and Mrs. J.H. Cooper on January 18.

BURNSIDE NEWS

The Irvin Klein rink won the main event of the farmers' bonspiel last Friday and Otto Bittner, one of the Burnside district farmers, was a member of the winning rink. Otto is to be congratulated on winning a prize in his first attempt at the "roarin' game."

Alfie Thompson returned Tuesday from Calgary, where he has been under the care of a doctor for the past while.

The Torpe sale was a decided success with most articles bringing good prices. It is reported that the land has been sold for \$43 an acre.

Bob Jones has sold his farm and we understand that he has purchased a chicken ranch on the Banff trail. He will be holding a sale of farm machinery in the near future.

News is scarce—mainly due to the severe cold weather which is causing the farmers to stick to their homes like the hibernating gophers.

WESTERDALE NOTES

Mr. and Mrs. M. Makow of Vancouver, who are holidaying at the W. Herbert home, spent a few days last week visiting at the home of Mr. and Mrs. O. Rundle of Calgary.

Mr. and Mrs. O. Rundle of Calgary attended the dance held at the hall last Friday night.

A fair crowd attended the dance in spite of the sub-zero weather.

A small attendance has been registered at school the past week due to the cold weather and continued outbreak of measles. Two of the boys came down with the disease last Tuesday, and Bob Jackson with a severe case on Sunday afternoon.

Mrs. F. J. Jackson entertained a few friends at her birthday celebration last Thursday evening.

The many friends of Mrs. R. Jackson will be pleased to learn that she is progressing favourably from an attack of pleurisy and is expected to return home soon.

CANADA'S E.R.P. SHIPMENTS TOTAL \$593 MILLION

Canada supplied commodities valued at almost \$593 million to countries participating in the European Recovery Program during nine months ended December. These goods, supplied by arrangement with the Economic Co-operation Administration in Washington, represent 20 per cent of all purchases outside the United States. Forty-three per cent of the purchases in Canada consisted of wheat and flour, valued at \$252,800,000, and Britain received almost all of this amount. Metals, minerals and alloys follow bread grains in order of importance, with a value of \$133.8 million. Livestock and animal products valued at \$76.4 million are in third place, followed by wood and wood products totalling \$66.6 million.

Better Seed Grain Produces A Better Crop

That better seed will produce a better crop is the one piece of advice that has never changed throughout the ages. The best seed obtainable is registered seed, for it has a high percentage of purity, variety, is of high germination and contains a minimum of impurities. Seed growers this year have received prices that are comparatively low levels. This then is a bargain year for farmers to use registered seed in order to improve the quality of their grain and to obtain the highest possible yield per acre that conditions will permit. The purchase of a few bushels of registered seed is an investment that will bring to farmers high returns in additional income.

Producers should see their elevator agent for supplies of the excellent material at reasonable prices.

WE STAND ON GUARD

Health, according to the definition of the World Health Organization, is a state of complete physical, social and mental well being, not just the absence of disease or

infirmity. This implies that we should not wait for sickness to strike before taking measures to protect our health. We should be on our guard to keep the health standards of Canadians high.

Didsbury's Popular Store

The Anglican service of Holy Communion will be held, weather permitting, at Burnside on Sunday, January 30th, at 11 a.m.

—Electric Floor Polisher for rent, \$1.00 per day.—Builders' Hardware Store, phone 7.

Mayor and Mrs. H. Lynch-Staunton were Calgary visitors last Friday.

Word has been received that Mr. Ben Reeves, a former resident of the Rosebud district, passed away at Canmore on January 22nd. Funeral services will be held Thursday.

Sub zero temperatures for the past week have been responsible for the drain on the coal bin, but due to westerly winds Alberta points were warming up Tuesday with temperatures reaching the 18 above mark at noon. The forecast is for mild weather for the next couple of days.

Three Didsbury rinks are playing this week in the Crossfield bonspiel. Herb Sinclair is skipping one with T. Morton, Ed Watkin and B. Prevost. Sam Krueger has B. Sackett, Bill Payne and Trev Evans, and Irvin Klein has Ace Esler, Ken Gillie and Tay Fox.

Curlers at the Didsbury bonspiel next week will compete for some good prizes. Included are four white blankets donated by Calgary Power Co., four relish dishes from Calgary Brewing and Malting Co., and four framed pictures from H. Birks & Sons, Calgary. Numerous other prizes make up a fine selection this year.

BARNEY RYAN PASSES IN THE DIDSBURY HOSPITAL

Barney Ryan, a resident of the district east of Carstairs, died in the Didsbury hospital on Friday, January 21, at the age of 75 years.

Surviving are his wife, Etta; six daughters, Mrs. H. Moore, Calgary; Mrs. V. Vile, Vancouver; Mrs. W. Galt, Coutts, Alta.; Mrs. A. Swanberg, Athabaska; Mrs. R. Lufgren, Athabaska, and Mrs. H. Van Dale of Calgary; three sons, Archie of Athabaska, Bernard of Calgary, and Charles of Carstairs. Also 14 grandchildren.

Services were held in Calgary at Gooder Bros. Chapel on Monday, January 21, with Rev. Finnis Marsh officiating.

LITTLE ITEMS OF LOCAL INTEREST

—K. ROY McLEAN, OPTOMETRIST, WILL MAKE HIS NEXT VISIT AT THE ROSEBUD HOTEL, DIDSBURY, ON MONDAY, JANUARY 31, MORNING ONLY. CONSULT IN CALGARY OFFICE, 1014 SOUTHAM BLDG., DAILY EXCEPT MONDAY

Mrs. Jessie Blanchard of Royalities visited with Mr. and Mrs. Lou Boies from Friday till Monday.

—The regular meeting of the Ladies' Auxiliary will be held in the Masonic Hall on Thursday, January 27. Members are reminded of the tea towel shower for the Legion.

Dr. H. G. Reiber arrived Saturday from Davis, California, to attend the funeral of his mother, Mrs. Martha Reiber.

—The regular meeting of the Didsbury branch of the Canadian Legion will be held in the Lions Hall on Thursday evening, January 27. Installation of officers will take place at this meeting.

The financial statement of The Town of Didsbury will be ready for mailing to ratepayers this week end.

Miss Helen Ferguson left last Friday morning for Sundre to visit her youngest brother, Stewart. She expects to return later to resume her visit at the Boies' home.

—For sewing and remodeling of old clothes into school children's clothing, and for plain and fancy tailoring of socks, see Mrs. A.B. Dyck, just south of the old hospital.

J.W. Wardle is attending the Crystal Dairy Company convention in Calgary this week.

Mr. A. V. Soley, who took over the Jimmy Glickin store last fall, and who has not been in the best of health, being confined to the Col. Reicher Hospital in Calgary for several weeks, has returned to Didsbury and is again back in the store. Incidentally "Vic" is attempting to stimulate a little business through the medium of "The Pioneer," and his ad appears on page two.
